 - b. There are no physical registration forms.
 - d. The deadline for online registration is **April 7, 2024**.

*You can either register your students yourself or have them do it personally. We recommend you have two forms of registration: one for your personal use and the other being the district registration. This is only so you can see who has registered and who has not.

NYI Convention

During the Lock-In we will take the opportunity to have our NYI Convention. This will take up an hour of our time together and will follow our opening service. If you have any students that were nominated we would encourage you to get them to attend.

- 1. background checked**
- 2. sponsor application**

- 4. At least 2 years removed from high school.**
